

Playing with my heart

(S. Plante, R. spear)

VEGA MUSIC / IMF

Maybe I was only dreaming that you could be my own
Maybe all those things I was feeling
Maybe they were wrong
It's so inviting mama when I look into your eyes
It's so exciting baby how can I describe
It's so inviting baby and I leave it up to you
You got me screaming mama , bleeding mama you're...

PLAYING WITH MY HEART AND STEALING MY LOVE AWAY

PLAYING WITH MY HEART AND ...ha ha ha

X 2

I know that you got your reasons to take me to the floor
Now I'm walkin' round with questions
hope you walk in the door
You got me thinking baby of the things we used to do
You got me screaming mama, twisting and turning too
You got me thinking baby and i leave it up to you
You got me screaming baby bleeding mama you're...

C H O R U S

When I was a young boy I feared only in the dark
Protected by the wicked sun
Now that I've grown up and they've called me a man
I sometimes wish I could just turn my heart into a stone yeah come on
